new minds, new bodies, new identities
Wonder Woman

Biomechanical design and an unstoppable spirit enable Almee Mullins to triumph on the track.
“There’s nothing sexier than feminine strength,” says model Aimee Mullins, whose legs were amputated below the knee when she was a baby.
FASHION ABLE?

ALEXANDER McQUEEN GUEST EDITOR ISSUE
"When I think of the word 'inspiring' next to my name, I try to force myself to understand that it's a positive thing. People want to label you, but I'm not the poster child for people with disabilities"
